

How to publish with MKS

MKS provides:

- swift publication; after submission of the final version of the manuscript, the volume will be printed within six months;
- hybrid format: all MKS titles are first published as printed books, and then after 2 years freely accessible online;
- high quality, ensured by the use of coated paper, sewn binding and traditional printing: i.e. no digital printing
- high scientific standards: all volumes will be subject to peer-review.

If you are interested in publishing with MKS, please submit a proposal, providing the aim of the volume in a summary of **maximum 300 words** and a preliminary “Title and Table of Contents” to the following addresses: **Prof. Dr. Gianluca Miniaci** (gianluca.miniaci@unipi.it) and **Dr. Wolfram Grajetzki** (GHP editor at WlfrmG@aol.com).
